

## Sunscreen and Bug Spray Permission

In accordance with Minnesota licensure statute 9503.0140, West Metro Learning Connections must acquire parental permission in order to apply sunscreen and/or insect repellent to clients. During Therapeutic Recreation events, clients are required to bring a personal supply of sunscreen and/or insect repellent as needed, and to apply sunscreen prior to leaving the center for an outdoor activity.

WMLC carries Target brand: Up & Up or Sport sunscreen of SPF 30 or higher; and Off or Cutter brand pump-spray insect repellent containing less than 20% Deet.

WMLC staff have my permission to apply sunscreen and bug spray to my child \_\_\_\_\_, as needed. I understand I am still responsible for sending my child with both already applied daily when appropriate.

My signature below signifies that I am aware of and agree with the provider's policy of applying sunscreen and bug spray as needed, and that I am still responsible for applying both to my child prior to drop off every day as needed.
